Mission

Potter College of Arts & Letters takes as its primary area of scholarly concern the study of men and women—their past, present, and future, as well as their aesthetic expression, metaphysical concerns, and social interaction. Potter College prepares students to enter a wide range of careers as well as programs of advanced study. More than 200 faculty members provide instruction in some twenty disciplines. Seven of the twelve departments in Potter College offer graduate degrees in cooperation with the Graduate School.
