Mission

Potter College of Arts & Letters takes as its primary area of scholarly concern the study of humanity—its past, present, and future, as well as its aesthetic expression, metaphysical concerns, and social interaction. Potter College is proud to prepare students to enter a wide range of careers as well as programs of advanced study. More than 200 faculty members provide instruction in ten schools and departments. Potter College, in cooperation with the Graduate School, offers MA, MFA, MM, and MPA degrees as well as graduate certificates.
