

# WORKPLACE HEALTH PROMOTION, CERTIFICATE (1746)

---

## Program Coordinator

Gretchen M. Macy, gretchen.macy@wku.edu, (270) 745-5870

The graduate certificate program in Workplace Health Promotion will provide training for students and professionals who have an interest in developing health promotion programs in the workplace. This certificate program will provide a comprehensive skill base for assessment, planning, implementation and evaluation of health promotion programs in a workplace environment, effective communication techniques and a basic understanding of workplace hazards. This certificate will also introduce students to the Total Worker Health concept, which is a Centers for Disease Control and Prevention (CDC) initiative to integrate health promotion and health protection.

Program Admission

## Graduate Studies Admission

Please refer to the admission section (<http://catalog.wku.edu/graduate/admission/>) of this catalog for Graduate Studies admission requirements.

## Program Requirements (15 hours)

| Code                    | Title                                        | Hours     |
|-------------------------|----------------------------------------------|-----------|
| <b>Required Courses</b> |                                              |           |
