## World Language Proficiency

All entering students must demonstrate proficiency in a world language at the Novice High level before completing 60 credit hours. Novice High is the ability to communicate in writing and speaking on familiar topics in simple sentences. To meet this requirement, students can do one of the following:

1. All degree-seeking students with two credits (or equivalent) of high school world language are considered to have fulfilled the world language proficiency requirement at WKU. A high school transcript is required to verify coursework.
2. Enroll in a new language not previously studied and complete the language course at the 101 and 102-level (or higher, excluding SPAN 200 and SPAN 105 courses of any language prefix) with a grade of C or better. Language options include Arabic (ARBC), Chinese (CHIN), French (FREN), German (GERM), Italian (ITAL), Japanese (JAPN), Korean (KORE), Russian (RUSS), Spanish (SPAN), or Swahili (SWAH). The following languages offered outside the Modern Languages Department also fulfill this requirement: American Sign Language (ASL 102 or higher), Chinese Flagship (CHNF 101 or higher), Greek (RELS 155/BLNG 155), Hebrew (RELS 153/BLNG 153), Latin (RELS 151), and Pali II (RELS 157).
3. Continue a language taken previously and complete the 102-level of the language with a grade of C or better. See the list of courses mentioned above, the course descriptions in the back of this catalog,

or the website for a comprehensive listing (which includes newly approved courses): <http://www.wku.edu/colonnade/>.

4. Successfully complete a proficiency test; such as the AP, CLEP, IB, AAPPL, Avant STAMP, BYU FLATS, or departmental exam. Information on the AP, CLEP, IB, and departmental exams are available in the "Credit by Exam" section of the undergraduate catalog. The AAPPL, Avant STAMP, and BYU FLATS information is found on the <http://www.wku.edu/colonnade> (<http://www.wku.edu/colonnade/>) site.

For more information about the World Language Proficiency Requirement, visit <http://www.wku.edu/modernlanguages/placement/>.

The general education world language requirements will be waived for students whose first language is not English. To demonstrate non-English proficiency students can do one of the following:

1. International students from non-English speaking countries can receive the waiver from the International Student Office (request at [https://www.wku.edu/international/istart\\_help.php](https://www.wku.edu/international/istart_help.php)).
2. Domestic students, and international students from English speaking countries, have several options to demonstrate proficiency in a language other than English:
  - Successfully complete one of the proficiency exams mentioned above (#3).
  - Provide evidence of the completion of the 8th grade, or equivalent, or higher in which the primary language of instruction was not English.
  - Other documentation (tests, diplomas, other official documents) that demonstrate language abilities.

**NOTE:** The waiver form at <http://www.wku.edu/colonnade> (<http://www.wku.edu/colonnade/>) should be utilized to document school attendance or other documentation.

## World Language for Returning Students

Students who begin their college career as degree-seeking students during the 2004 summer term and thereafter will be required to take the second semester level or higher foreign language course.

Students who begin their college career as degree-seeking students before the 2004 summer term are required to take one level of a foreign language.

## Military Deployment for Connections: International Experience

Undergraduate, degree-seeking military member and Veteran students who have served in a foreign country, outside of the United States for at least 90 days (consecutive or non-consecutive) may be eligible to use that experience to fulfill the Colonnade Connections – International Experience category. To submit a request for category fulfillment, students should complete the "Military Deployment for International Experience" form and submit it to the Office of the Registrar. The Committee on Credits and Graduation will review the form, and the Office of the Registrar will communicate with the student regarding the approval or denial of the request. Students do not receive credit hours nor residency for the deployment; however, the international experience category will be met on the student's degree audit.
