Program Requirements (21 hours)

This certificate program prepares graduates for careers in a Chinese-speaking market. A total of 21 credit hours are required in this certificate. Twelve credit hours of core courses develop basic Chinese language proficiency and cultural expertise, and nine hours of electives provide students the flexibility to tailor the certificate to support their professional interests. Some of the required course work may be accomplished through approved methods for demonstration of previous knowledge. Students must earn a C or better in courses for the certificate.
