## **CLINICAL AND COMMUNITY BEHAVIORAL HEALTH, MINOR** (436)

The Clinical and Community Behavioral Health (CCBH) minor is for those interested in careers in mental and behavioral health such as Clinical, Counseling, and School Psychology; Social Work; and other fields in the human services sector. Those completing this minor will:

- · Be better prepared for careers in mental and behavioral health and human services.
- · Gain greater awareness of major psychological theories and paradigms of relevance in mental and behavioral health and human services.
- · Demonstrate understanding of different mental and behavioral health and human service organizations including roles of professionals, range of services offered, and organizational values.

The CCBH minor can be paired with the Psychology major and is open to any other major in the university.

## Program Requirements (21 hours)

The minor in Clinical and Community Behavioral Health is an interdisciplinary minor that contributes to the preparation of students who are interested in careers in the mental health field and human services sector. The minor requires 21 hours, 12 of which must be from Psychology.
