

# MIDDLE GRADES MATHEMATICS, BACHELOR OF SCIENCE (730P, 730)

## Program Coordinator

Patrick T. Brown, patrick.brown@wku.edu, (270) 745-6247

A major in middle grades mathematics is for students who plan to teach mathematics in grades 5-9 only. The degree requires a second major in Science and Mathematics education (reference number 774). Upon successful completion of both majors, the student will receive a Bachelor of Science degree.

## Admission Requirements

Students who wish to declare a 730 middle grades mathematics major will initially be designated as “seeking admission” until the following requirements have been satisfied:

- Complete 3 of the following with a “C” or better in each course: MATH 136, MATH 183, MATH 205, MATH 206, MATH 302.
- Have an overall GPA of at least 2.5 in all middle grades mathematics program courses (MATH 136 and above) completed prior to admission.
- Note: If a course is repeated, then the second grade is used to compute the GPA. If a course is repeated multiple times, then the average of all grades after the first attempt is used to compute the GPA.

## Program Requirements (34 hours)

A baccalaureate degree requires a minimum of 120 unduplicated semester hours.
