The Student

Western Kentucky University students have a significant role in the internal governance of the University. Elected or appointed representatives of the student body serve with members of the faculty and administration on policy-recommending councils and committees. Student members of internal governance councils and committees are selected by the Student Government Association. For more information about the membership and function of these committees and councils, contact the Student Association Office, DSU 2045, 270-745-4354.

Student Life Policies

All university citizens enjoy the rights and liberties assured by the constitutions of the Commonwealth of Kentucky and the United States of America. Likewise, they are subject to the responsibility and obligation to accord respect to the rights of others.

Student Life policies are intended to foster student development and responsibility. Guided by these principles, the Department of Student Activities and Division of Enrollment and Student Experience maintains the mission of the University by ensuring that students are afforded opportunities for civic engagement with respect to the rights of others.

Students' rights, responsibilities, and the Student Code of Conduct are outlined in the Western Kentucky University Student Handbook on the Western Kentucky University website and in the Student Life Policies section of this catalog.

Student organizations, activities, and leadership programs make a great contribution to student life at WKU. All students are encouraged to become involved in organizations whose purposes and activities will contribute to their personal growth and development.

For more information on student activities and organizations, visit <http://www.wku.edu/sao> (<http://www.wku.edu/sao/>) or call at (270) 745-2459.

Dynamic Leadership Institute

WKU students are invited to apply for admission in the Institute. The Institute consists of four phases. Each phase is a semester with six workshops or activities that address a variety of leadership topics. Students are selected to represent a diverse group of ages, interests, and levels of leadership ability. Applications are available at the Leadership & Volunteerism office located in Downing Student Union, Room 2059 or call at (270) 745-2459.

High School Leadership Conference

The Kentucky High School Leadership Conference is held on the campus of Western Kentucky University each semester. This conference helps educate high school students on the importance of leadership and active involvement. Students from across Kentucky, Tennessee, and Indiana gather to obtain information, insight, and an understanding of leadership skills.

Leadership and Volunteerism

The Leadership and Volunteerism office provides a variety of opportunities to students that allow them to engage in developmental activities. This office engages students in numerous service projects including Midnight on the Hill for St. Jude's Hospital, Alternative Spring Breaks, Red Cross blood drives, and Student United Way. For more information call the office at 270-745-2060, or stop by Downing Student Union 2059, or visit our website at: <http://www.wku.edu/sao/>. (<http://www.wku.edu/sao/>)

Volunteer Initiative Program (VIP)

The VIP exists to provide students with information about community service and volunteer opportunities in the Bowling Green area. Students have the opportunity to volunteer their time to local service agencies and get involved in the community. Volunteer opportunities range from one day events to semester long activities. There is something out there for everyone and the experience is priceless. The program is open to all WKU students, faculty, and staff.

Weekend in the Woods

A special retreat is conducted each fall for selected campus freshmen to transfer information, focus on special topics, and promote campus unity. This retreat is part of an invaluable process that helps ensure student groups and their leaders are working toward the same goal—a better WKU.

Student Organizations

The Office of Student Activities works to provide co-curricular activities for those students who want to become involved at WKU. We have over 300 registered student organizations, ranging from Departmental, Campus Ministries, General Clubs, Honor Societies, Intramural/Recreational, Professional, Service, Student Representative, and Greek Life (Fraternity and Sorority).

Check Cashing Services

Two types of personal checks (maximum \$50) may be cashed by the University Cashier's Office in room 208 of Potter Hall.

1. The check may be written by the student and made payable to WKU.
2. The check may be written by the student's parent and made payable to the student.

Western Kentucky University student payroll checks in any amount will be cashed. A student I.D. is required for check cashing services.

Checks may be cashed from 8:00 a.m. to 4:00 p.m., Monday through Friday, at Potter Hall during the fall semester through spring semester. Summer office hours vary.

A charge of \$20.00 will be made for each check returned because of insufficient funds, closed account, or stop payment. The check cashing privilege will be denied to students after two checks have been returned for non-payment. Failure by a student to make prompt payment on returned checks may jeopardize his/her status with the university. Any unpaid, returned checks are subject to being turned over to the County Attorney's Office for collection. Students are advised that the passing of bad checks is a violation of Kentucky statute.

Students with disabilities sometimes need assistance to ensure an adequate academic and social environment while attending the University. This assistance is usually provided through the Student Accessibility Resource Center (SARC). SARC coordinates its activities through individual faculty members, other campus offices, and public agencies. Students with disabilities receive accommodations specific to their individual disability and/or impairment. These accommodations may include: note takers, testing accommodations, alternative text formats, priority in academic advising/registering, etc. Particular attention relates to assuring accessibility in classroom, laboratory, housing, distant learning, and online environments. Interpreting and captioning services are available for Deaf and Hard-of-Hearing students. If a student with a disability has concerns or needs before they attend

the University, if they need accommodations while participating in university services/activities, or if any concerns arise while they are enrolled on campus, they are encouraged to contact the SARC office. Both consultation and technical assistance are available.
